ACKNOWLEDGMENTS

1. Applicant, a company, corporation, or Trade Association thereof engaged in business in the above described industries, or an academic institution, hereby applies for membership in the Test and Diagnostics Consortium, Inc., a non-profit corporation organized under the laws of Kentucky.
2. Applicant agrees to pay a yearly membership fee of \$250 (make check payable to the TDC). The membership will commence when the membership fee is received by the TDC and will terminate one year after the date received, unless renewed. **the membership fee has been deferred until further notice**
3. Applicant agrees to be bound by the bylaws of the Test and Diagnostics Consortium, Inc. By executing this Application, Applicant's Representative verifies that he or she has read and understands them.
4. Applicant agrees to be bound by the decisions of the Board of Directors.
5. Applicant agrees to participate in discussions among other businesses within its industry group, concerning research initiatives for consideration by Test and Diagnostics Consortium, Inc., but agrees that Applicant is free to pursue other research initiatives independently of Test and Diagnostics Consortium, Inc. Applicant agrees that it is responsible for protecting its own proprietary information, and that all discussions shall be on a non-confidential basis. Applicant shall hold harmless other members and Test and Diagnostics Consortium, Inc. from use of Applicant's disclosures, if any.
6. Applicant agrees that it may participate in funding research initiatives as agreed to and determined by its industry group, and that it will have royalty free rights to utilize any intellectual property developed as a result of such research for which it participates in funding with the other companies that participate in funding that research. Members who do not participate in funding research initiatives shall have the right to use intellectual property resulting from research initiatives of Test and Diagnostics Consortium, Inc. by payment of a reasonable royalty as determined by the Board of Directors, or its designee.
7. Applicant agrees that it will provide such information to Test and Diagnostics Consortium, Inc. as may be needed to complete an application to the United States Department of Justice for approval under the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 - 4306, including such information needed to establish standard industrial classifications for the Applicant.
8. Applicant agrees to comply with applicable federal and state antitrust and trade regulation laws. By executing this Application, Applicant's Representative acknowledges that he or she recognizes that the activities of the Test and Diagnostics Consortium, Inc. are not exempt from such laws. Applicant's Representative agrees (by executing this Application) to review and abide by any antitrust compliance materials and advise of counsel provided to members during the course of Applicant's membership.
